

# 2016 Base Camp Weekly Theme Days

## Major League Monday

Get out your favorite ball cap and support your favorite team in the majors! Wear your fan gear during the day and root, root, root for your team.

We will bring the ballpark to camp during the evening as we broadcast a live\* game for your enjoyment!

\*at the time...

## Trivia Tuesday

Tuesday will always be Knee Sock Appreciation Day here at JNW, but our other Tuesday theme will keep you guessing all day! Come to flags in the morning dressed as any historical figure, the more obscure the better. There will be trivia questions in the program areas throughout the day and a Trivia Competition in the evening.

Did you know it's also picture day?

## Wig Wednesday & OA Day

Wednesday is the day to try a new hair style, but there's no need to run to the barber shop! Wear a wig, a mop, some ferns, or just style your hair in any way that stands out in a crowd. Use this day as an excuse to try something new, or for many scoutmasters, use this day to remember the good ol' days...

In the evening, we'll be hosting karaoke to cap off the evening.

Wednesday is also always OA Day, so be sure to wear your sash throughout the day and participate in the service project and ceremonies.

## That's So '90s Thursday

Thursday is the day that we're kickin' it old school and going back to the '90s. Fresh.

It doesn't matter if you like ripped jeans and flannels, bucket hats, or chinos by the GAP, just dress like you love the '90s just a little too much.

Come to breakfast as your favorite '90s TV character, or dress like you did in the 1990s. Even if you weren't quite born yet, you still know what the '90s were all about, going to the extreme!

Thursdays are gonna be rad!

## Freedom Friday

Freedom Friday is the day we want to see your patriotism! Dress in red, white, and blue to show your support for the USA. Invite your Uncle Sam to visit for the day. Form a full marching band with your troop ...the possibilities are endless!

Let's celebrate this great country and the people that have kept it that way. We know that freedom isn't free, so we are proud to honor those that have given of themselves for the freedom we get to enjoy every day!

USA! USA! USA! USA!
