This was our first time here and we will all definitely be back. The staff is amazing, so full of energy and fun things to do. They have made a huge impact on these kids. Thank you for all you do!

Your Adventure is Waiting!

2023 Cub Scout Camping Opportunities

CAMP HEALTH & SAFETY. Our camps are safe and inspected annually by the State of Connecticut and the Boy Scouts of America. We pride ourselves on having qualified medical staff on-site at all times.

TRAINED STAFF. Our staff is trained and maintains the highest level of safety and care for our Scouts and parents.

QUALITY PROGRAMS. Connecticut Rivers Council Cub Scout camps offer high quality program experiences for Scouts and families.

LEADERSHIP. Our Camp Directors are certified by the Boy Scouts of America and supplemented by your Den and Pack leadership.

HIGH QUALITY FACILITIES. Your outdoor experience is important to us and we have made investments to provide you with the best camping experience possible.

CAMP SCHOLARSHIPS. Scholarships are available to Scouts and families to help them attend camp. No one should miss camp due to financial concerns.

HEALTH & MEDICAL FORM. Each Scout and adult attending must bring a completed medical form to camp with them.

CAN I ATTEND WITH MY SON OR DAUGHTER? You sure can! We would love to have you and BSA guidelines require one adult for every Scout attending camp.

ATTEND AS A DEN OR PACK. Camping with your friends is the best part of Scouting. You can attend our summer camps with your den or pack or just as a family.

GREAT EXPERIENCES FOR EVERYONE. Our camps offer experiences you can't get anywhere else and memories that will last a lifetime for Scouts and families.

FOOD & DIETARY NEEDS. Providing healthy and nutritious meals helps to keep Scouts (...and adults) powered during their time at camp. Our menus are Dietitian approved and we do our best to accommodate special dietary needs.

I learned that camp is a place that lets me actually walk into the wilderness and connect with it.
