## Welcome to Connecticut Rivers Council

The Connecticut Rivers Council proudly serves over 17,000 youth throughout Connecticut. In the time-tested tradition of Scouting, The Connecticut Rivers Council will enthusiastically meet new challenges head-on and continue to offer quality programming and services to the communities we serve.

Cub Country Day Camp has operated at JNW since 1982 originally as Camp Akela Day Camp. It is a fun-filled week of adventure for Cub Scouts who will be in the 1st – 5th grade in the fall of 2023. Day camp is a great way for your scout to experience the thrill of the outdoors and keep active through the summer. We are located on the J.N.Webster Scout Reservation located in the scenic New England town of Ashford, Connecticut. Established in 1964, the reservation occupies 1,200 acres of land that is home to Cub Scouts, Scouts, BSA, Venturers, Explorers & families during its seven-week summer season. The Scout Reservation boasts its own private lake, Goss Pond, so swimming and boating are part of the fun.

This guide will help you plan for your Scout or Pack's week (*or more*) at summer camp. We hope you'll take this occasion to read it and familiarize yourself with our program and opportunities available, so you can better answer your scouts', parents' and your own questions. There are a number of changes, so look carefully. You'll find all the programs we will offer this summer listed inside.

More information and resources, including online registrations and payments are available on the Council website: [www.CTScouting.org](http://www.CTScouting.org) or by visiting our camp website: [www.gotowebster.org](http://www.gotowebster.org) or email to [cubdaycamp@gotowebster.org](mailto:cubdaycamp@gotowebster.org)

## Camperships

The Connecticut Rivers Council (CRC) will continue to award camperships to Scouts in need of funds to attend camp who might not otherwise do so. The annual campership fund is limited and fluctuates from year to year. Similar to WeBeLoS crossovers and new Scouts, campership Scouts will also be afforded the lowest possible rate to attend camp. The unit process for paying for these Scouts is to be determined.

## Payments

ALL deposits and subsequent payments for camp MUST be made online through your MyCouncil page on the CRC web site. Payments may be in the form of an E-Check or credit card. There is no charge to the unit using this method of payment.

2023 Connecticut Rivers Council Summer Camp Refund Policy 30 Days prior is full refund. Anything between 2 weeks and 30 days is 50% refund. Within 2 weeks of the event refund is at the discretion of the event coordinator or staff advisor. Usually only granted in cases of emergency. Unless otherwise stated.

All requests for refund consideration are to be in writing and sent either in the form of a letter or email to:

# Health Lodge

The Health Lodge is covered 24 hours a day by a registered nurse. If a scout or adult has to take medication during camp, the Camp Nurse must dispense it (*State of CT rules for youth camps*).

All medication for scouts & adults is to be checked in during the Medical Check on Monday. The Nurse will dispense all medication in camp.

Immediately after meals is the normal time for routine medical problems, giving out medication or changing a bandage. If a scout or adult is seriously injured, send **two** messengers to the health lodge and aid will be sent to you.

***Do not attempt to move a seriously injured person.***

The Connecticut Department of Public Health is very stringent with what campers may and may not have in their possession while at camp. All prescription medications must be in original pharmacy containers labeled with name of patient, date prescription was filled, pharmacy phone number, name of medication, dosage and schedule for taking, prescribing doctor and expiration date of medicine.

This is especially important for controlled drugs like Ritalin and mood-changing drugs like Prozac. **NO MEDICATION** is allowed in zip-lock bags or little jars or envelopes with the scouts name and “take yellow pill once a day” labeled on it. This is for prescription and over-the-counter drugs alike.

Our Cub Day Camp Staff should also be giving a dosage schedule for each scout so that they can remind the scout to take their medicine. Pharmacists are very good about making a labeled pill bottle for parents who prefer to send only what is needed for the camp period - both over-the-counter and prescription drugs. State regulations require that no prescription or non-prescription medication be administered without current, annual, written, parent and MD permission. Parent permission and other state required information such as allergies, side effects, and start/stop dates must be obtained for each medication.

Please fill out a separate State of CT form for **each** medication taken at camp; it is similar to those used by most schools. This Medication form is page 7 of the **CT Rivers Complete BSA Health Form** - see the bottom of this website for the complete health form need for camp <https://ctscouting.org/cubcamping/>

We ask that those with serious allergies requiring emergency medications have an action plan completed by their physician. Most allergists are familiar with these plans. If the doctor does not have a standard form for this purpose, a sample can be downloaded from the above website (page 8 of BSA Health Form). It must contain the MD and parent permissions mentioned above.

*Adults & Scouts may have first-aid kits however the nurse, with no exceptions, MUST see all injuries.*

Email our Health Lodge at [Gushaskell51@gmail.com](mailto:Gushaskell51@gmail.com) for specific questions

## Medical Form Checklist

It seems medical forms are by far the largest hurdle for a Unit/Scout coming for a week at summer camp. We offer the following suggestions and a checklist for checking forms.

**Start early!** Most Doctors require an appointment for physicals. The more time you give your parents, the better success they will have at this. Everyone must have a physical every year using the **new BSA Medical form**.

***Regardless of age, all scouts and adults are required to have a physical every year.***

Get a Pack Committee member to oversee the whole Medical Form process for your unit (maybe a RN or EMT if you're lucky). Get medical forms as early as possible to check them. Waiting until Monday while you're trying to check-in to camp puts a lot of strain on Leaders, Parents and Staff. All medication is turned into the Nurse in pharmacy containers, each with a State medication form. The Nurse will decide what Leaders may have with them during the day.

Make a copy of these medical forms, camp will not be giving back forms handed in on Friday (you keep the master, give us the copies). **We will hold for those Scouts who will be attending Week 7 Resident Camp - please inform our staff during check in.**

### Our Cub Country Day

Camp will have a **Medical Form Drop Off Night** prior to camp - this will allow you to have medical forms reviewed and accepted.

Please watch your email and Cub Country Facebook Page for details.

### Let us help! Check Medical Forms for the following:

- Make sure that everything is filled out, Part A, B, C and D, including the emergency phone numbers. If parents are going away, who can make medical decisions for the child/person?
- Current Parental signature.
- Immunization record is filled out.
- It must be good for the entire week at camp not just 4 of the 6 days.
- All medication in camp must be on the medication form and signed by both the parent and doctor. Medication must be in a pharmacy container when brought to camp.
- To get a copy of the BSA medical form visit <https://ctscouting.org/cubcamping/>

Email our Health Lodge at [Gushaskell51@gmail.com](mailto:Gushaskell51@gmail.com) for specific questions

# What To Bring?

Below is a suggested list of items that each Scout should bring to camp. Please note, due to the number of lost and found items each camp season, it is highly recommended that each personal item be labeled with the Scout's name and pack number.

It is recommended that Scouts pack a **smaller day pack**, something they can carry water, snacks and towel from program area to program area. Larger bags with extra clothes etc. can be kept behind at the den tent.

## Suggested Gear List

Although the day goes by super-fast, it is a long day at camp. Make sure your Scouts are well prepared for the day, this is an outdoor camp; Scouts are expected to get wet and dirty, it is a part of the outdoor experience, please have Scouts bring along **extra clothing every day!**

**Lunch Is Included!** Do not bring coolers or lunch boxes. Please pack a few snacks in a separate bag to be carried with the scouts in their day pack. **Campers can get very hungry!!**

**Swimsuit and Towel!** Please try and send a dry swim suit and dry towel each day. We suggest wearing the suit to camp and change after swimming, this will reduce changing time and more time for water FUN!

**Closed Toe Sneakers, Shoes or Boots ONLY!!** For Comfort and Safety **NO Sandals/ Crocs** are allowed at Day Camp. There will be one day of cray fishing where **closed toe water shoes** or rain boots would be great to have! We will send home a notice the night before!

**Sunscreen and bug lotion.** Must be applied before camp and cannot be applied by our staff. Please teach your child how to apply. NO aerosol cans are permitted at camp!

**Day Camp T-Shirts.** The state of Connecticut requires us to be able to identify our day campers. The day camp T-Shirt is the accepted method of identification. Clothing Appropriate for the weather. Ie: Shorts, Sneakers, Baseball Hat, Sweatshirt, Socks and a Raincoat /Poncho if needed. **BE PREPARED we live in New England!**

**Water Bottles.** Scouts will be given one water bottle on Monday Morning! Please pack two for the day, freeze one the night before, wrap in foil and plastic wrap to keep it COLD! BE PREPARED! Water is offered at all program areas for the safety of all our Scouts Trading Post

**Camp Runs Rain or Shine.** . This year there will be a small trading post and an opportunity on Friday night for a family visit to our Base Camp Trading Post. Less than \$5.00 would be appropriate.

Scouts are also not permitted to have pocket knives with them in camp if they have not earned their Whittlin'Chip. Leaders should hold onto the knives of Bears, Webelos & AOLs who expect to earn their Whittlin'Chip during the week. *There is limited time when Cub Scouts can use their knives at day camp- we suggest they leave them at home in fear of getting lost or using at the wrong time.*
