

AFTERNOON ACTIVITIES

All troop activities that occur at JNW happen, generally, between the hours of 3 PM and 5 PM. See below our wide array of afternoon entertainment fit for both patrols and troops! If you don't see something on the menu that you'd like to do please don't hesitate to ask, we will do our best to accommodate you.

OUTDOOR ADVENTURE:

- **Orienteering Adventures** - Scouts will have the opportunity to try out their map and compass skills while navigating to various control points around camp to see a mystery message! Appropriate for patrols.
- **Buckskin Games** - Become a frontiersman and try your hand at assorted activities to see if you can join the leagues of Paul Bunyan himself. Activities include things like tomahawk throwing! (This reserves the tomahawk range for the hour!) Appropriate for entire troops or patrols!
- **Branding Bonanza** - Scouts come on down to set your stuff on fire! Sort of, not really. Our experts at Outdoor Adventure can brand all (most) items that you can imagine, from fruits to water bottles --let your mind wander. Appropriate for entire troops or patrols!
- **Trial by Fire** - Settle the disputes once and for all, who are the best firemeisters in your troop? Let the Outdoor Adventure staff decide! Appropriate for patrols.
- **Defend the Frontier** - Build a useful camp gadget that will come in handy defending your campsite from any pesky invaders! FIRE THE WATER BALLOONS! Appropriate for entire troops or patrols.

HANDICRAFT:

- **Troop Clay-beration** - Each scout will create a piece of a larger project. With your efforts combined you can create an intricate design that would take hours to do alone such as a bird or tree. Take the creation as a testament to your troop's teamwork and unity. Appropriate for troops.
- **Color Swap** - Each scout can start a painting knowing that in a few minutes it will get passed to someone else to continue it. After a few swaps see how the elements added by the other scouts creates something new. Appropriate for troops and patrols.
- **The Leather Shop Stop** - Each scout can make and customize their own leather item. They can choose from a knife sheath, an impossible wallet, or a unique design of their choice, and stamp it with a variety of shapes or letters. Appropriate for troops and patrols.

- **Tasteful Tye Dye** - Bring down your shirts, your socks, or anything your heart desires (within reason)! We will help you show your spirit with a variety of bright colors and designs.

AQUATICS:

- **Assault Boats** - Two people per canoe (team) try tipping each other's canoes! Give your best shot at making your troop or patrol mates take a bath at the Waterfront! Appropriate for troops or patrols.
- **War Canoes** - Join us for a race involving the large war canoes across Goss Pond OR play Tug of War! Appropriate for entire troops or patrols.
- **Paddle Boat Pirate Adventure**- Two per paddle boat, scouts will attempt to steal each other's treasure! Appropriate for troops and patrols.
- **Watermelon Polo** - Water polo but with a watermelon! Appropriate for troops and patrols.
- **Water Polo** - Enjoy a sporting game of water soccer moderated by one of our lifeguards! Appropriate for troops and patrols.
- **Snorkel Expedition** - Explore the wonders of the deep! See what the amazing Goss Pond has to offer with one of our lifeguards as your guide! Appropriate for troops and patrols.

APEX:

- **Secure the Package** - You have an important package to get to a sender on the ground floor! Build your contraption to get it there, they might even ask you to get it to a secondary location! Appropriate for troops or patrols
- **Tower of Terror** - See who can build the largest tower out of LEGO blocks and set the record for the week! Appropriate for patrols

ECON:

- **Glow Stride** - A path lit in faint light, as the stars illuminate the beauty of nature join our ECON staff on a peaceful evening hike. (OFFERED AT 9 PM) Appropriate for entire troops.
- **Nature Exploration Hike** - Nature sure is neat, and golly gee, we'd love to tell you all about it on a nature hike! Appropriate for entire troops or patrols.
- **Invasive Species Workshop (Conservation Projects)** - Learn about invasive plant species in the area, then apply your identification skills as we remove them! Appropriate for troops or patrols.
- **Goss Pond Survey** - Join the Ecology/Conservation staff as we take a survey of the things living at the bottom of the creek that runs out of Goss Pond! Appropriate for entire troops or patrols.

MOUNTAIN BIKING AND SPORTS:

- **Capture the Flag** - Finally settle that burning patrol debate! See who can get the flag the most amount of times within the hour! Appropriate for patrols or troops.
- **Basketball** - Or maybe settle it on the court! Appropriate for patrols or troops.
- **Volleyball** - Or maybe even on the sand! Appropriate for patrols or troops.
- **Water Balloon Volley** - Toss around water balloons and see how it goes! (This Program Director would recommend a bathing suit!) Appropriate for troops or patrols.
- **BMX Experience** - Try out the latest addition to the JNW Program repertoire! See how BMX riding is different from normal mountain biking. Take your bike license to the NEXT LEVEL. Appropriate for entire troops or patrols.
- **RC Mayhem** - Try out a different type of sport with our RC car racetrack! See how well you can navigate the twists and turns. Appropriate for entire troops or patrols.

COPE AND CLIMBING

- **Troop/Patrol Climb** - Reserve the climbing wall for the hour under the guidance of our certified instructors. See if you can get to the bell at the top of the tower. Appropriate for entire troops or patrols.
- **COPE Team Building Exercises** - Work on creating effective relationships for your patrol or troop by working with the COPE staff in trust scenarios! Great for any new patrols or to provide camaraderie to an already seasoned troops.

INDUSTRIAL ARTS:

- **Welder's Sampler** - Enjoy a guided course through the skill and art of welding! Appropriate for troops and patrols.
- **Blacksmithing** - Have an afternoon at the forge guided by our experts in the Industrial Arts area! Appropriate for troops and patrols.
